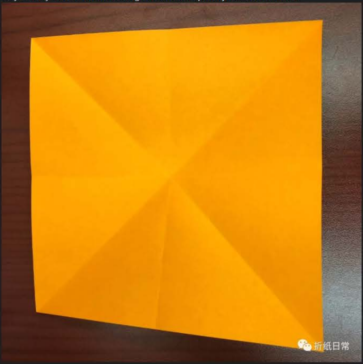
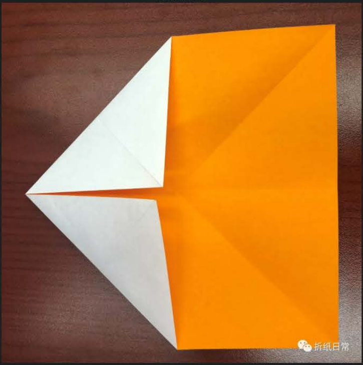
Hello everyone, I will bring you a real shot of yellow duck today. It is recommended to use paper: 20-25cm yellow-orange two-color paper. By the way, today is still the teaching of cervical spondylosis treatment.

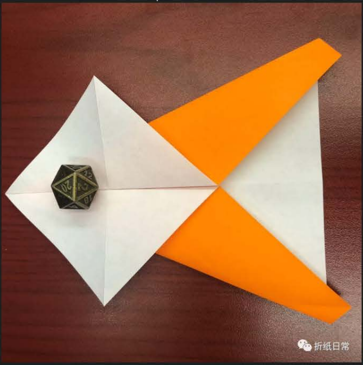


Rice crease

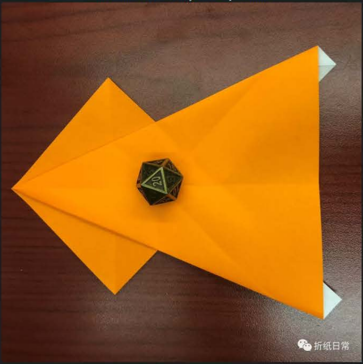


Fold to halfway

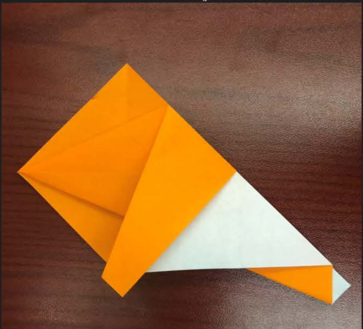
Flip to the back



Divide the small valley folds by corners

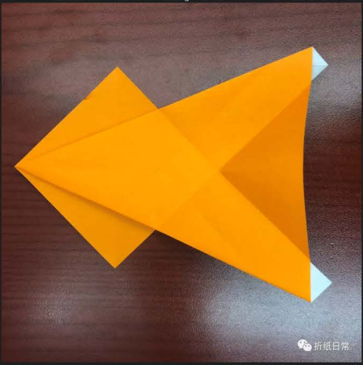


Turn it over again



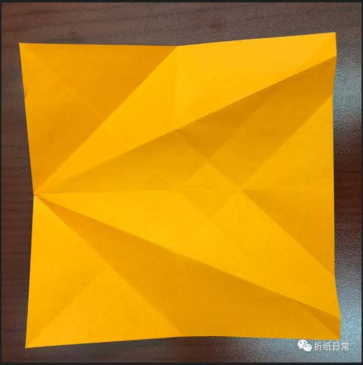
折纸日常

Make an extension line trough along one side of the square, paying attention to the alignment



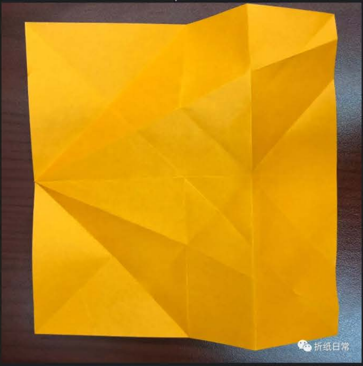
折纸日常

Same on the other side



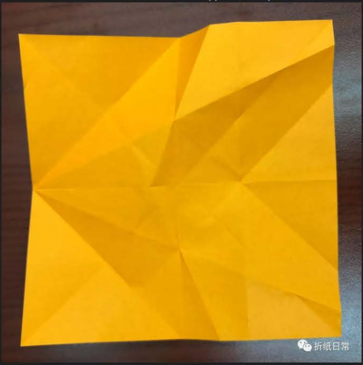
折纸日常

Expand



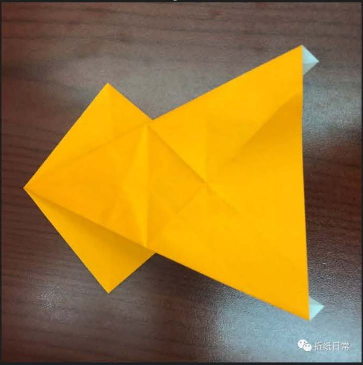
折纸日常

Cross the intersection of the upper two-step line



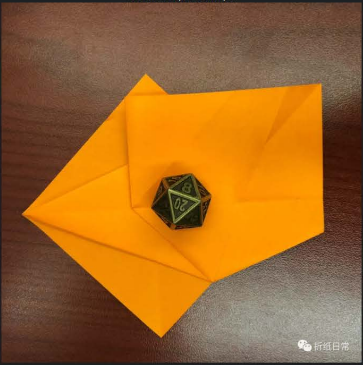
折纸日常

Align the vertical line obtained in the previous step with the 45 ° line obtained in the second step and flatten them to obtain the two lines in the figure.

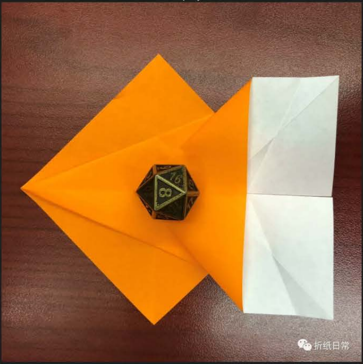


折纸日常

Back to step five shape

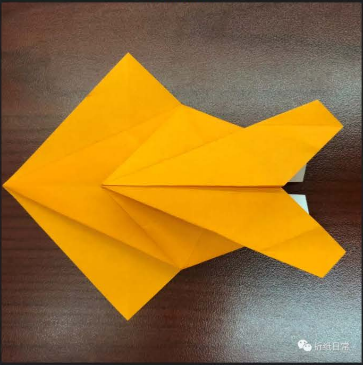


折纸日常



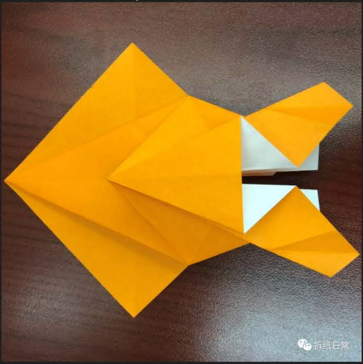
Creases before polymerization

折纸日常



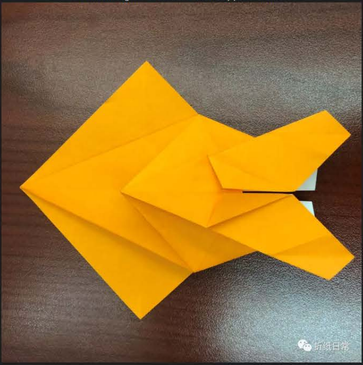
Extended fold

折纸日常



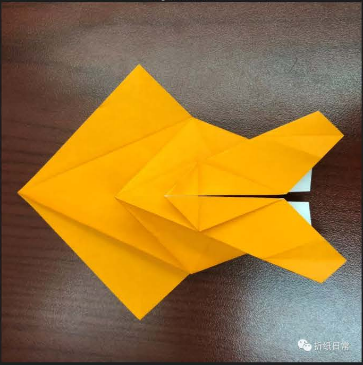
Valley break (corner bisector)

折纸日常



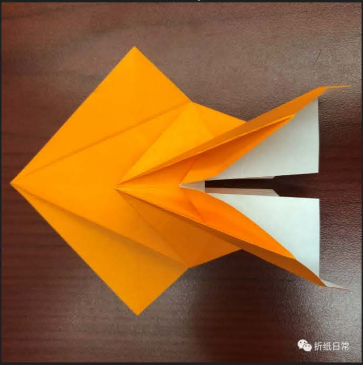
Fold along the bisector of the upper corner

折纸日常



Angle bisector

折纸日常



Pull away

折纸日常

Press the diamond into the inside

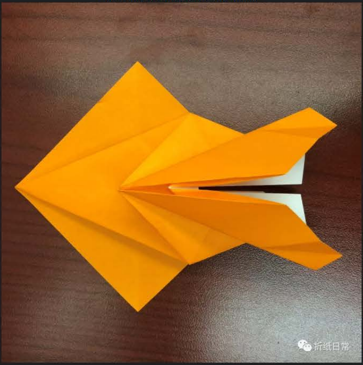


Figure after pressing

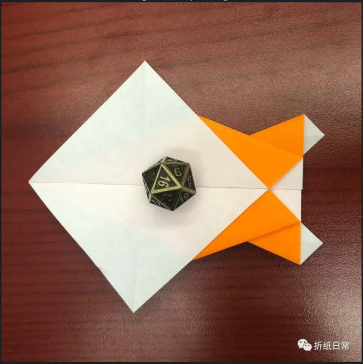
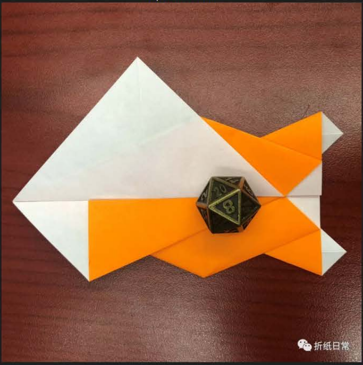
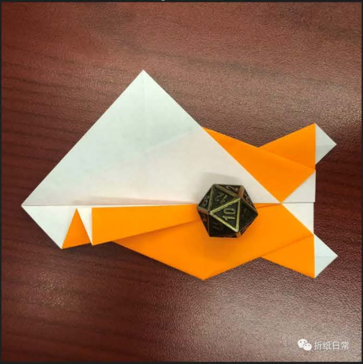


Flip to the back

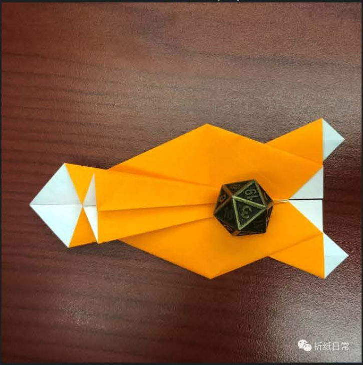


Angle bisector



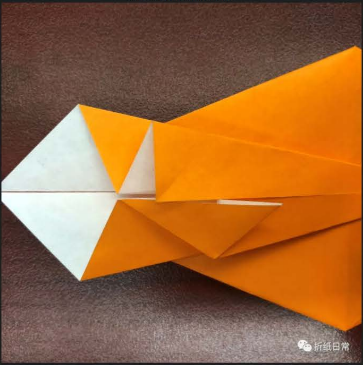
折纸日常

Continue to divide equally



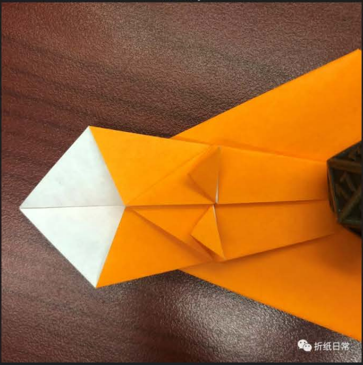
折纸日常

Same on the other side



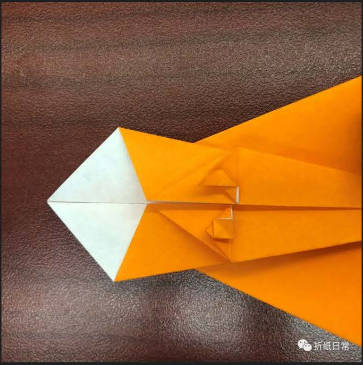
折纸日常

Pull away



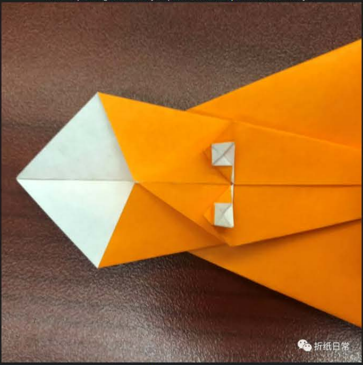
折纸日常

The other side is the same.



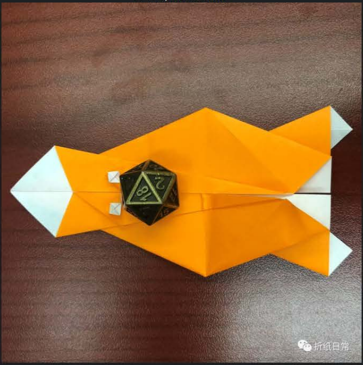
折纸日常

After opening the valley, open a small square to make eyes



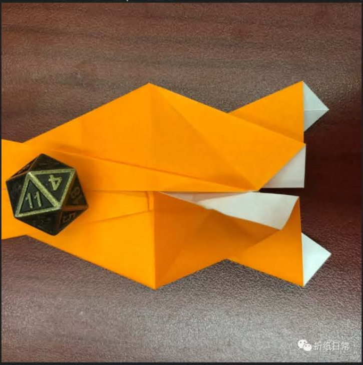
折纸日常

as the picture shows



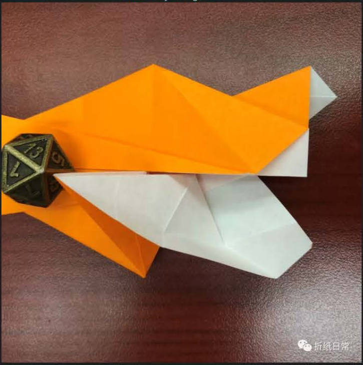
折纸日常

Perspective returns to the whole



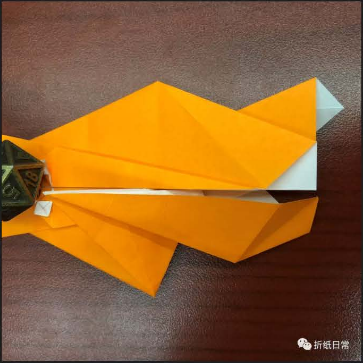
折纸日常

Pull away along the line



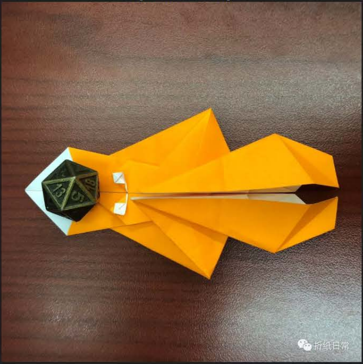
折纸日常

To flatten



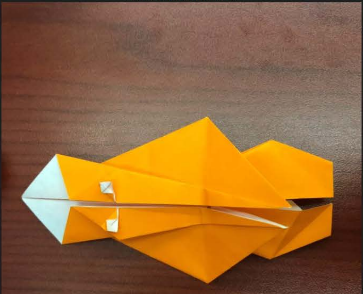
折纸日常

Figure after flattening



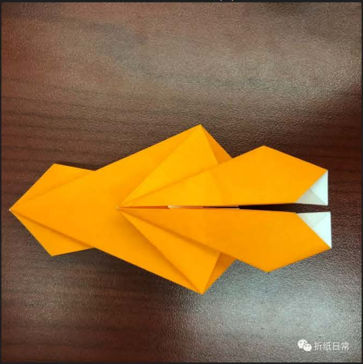
折纸日常

Same on the other side



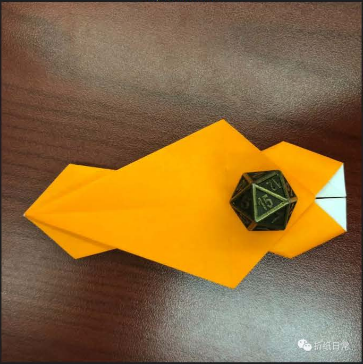
折纸日常

Fold the corner of the paper



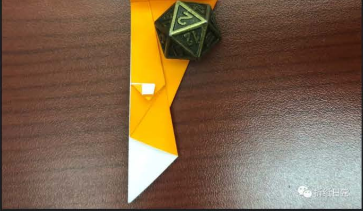
折纸日常

Flip to the back



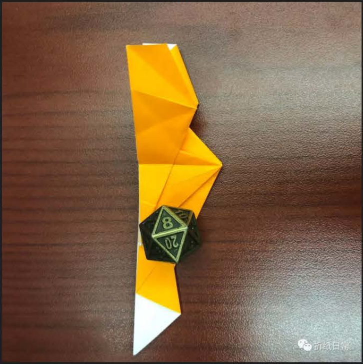
折纸日常

Fold the corner of the paper



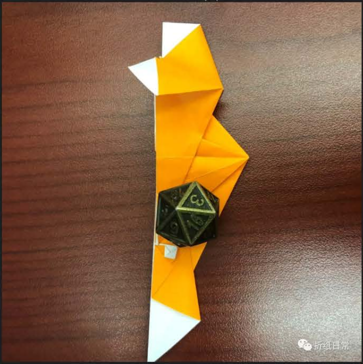
折纸日常

fold



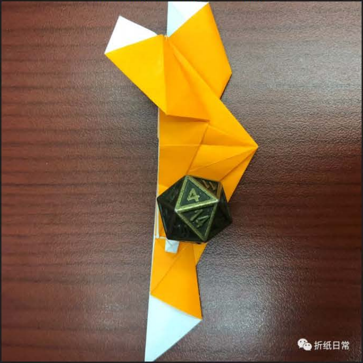
折纸日常

Pull the corner of the paper down



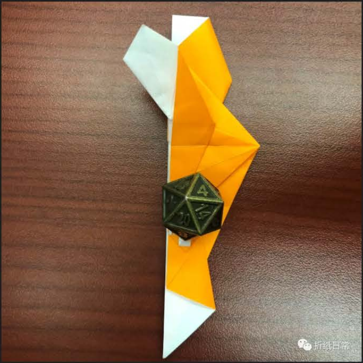
折纸日常

Fold along the existing crease valley



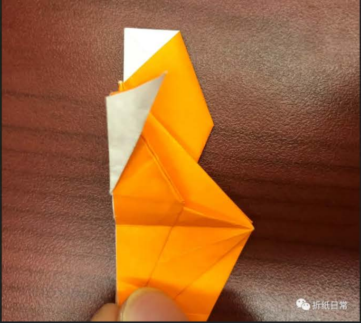
折纸日常

Closed sink



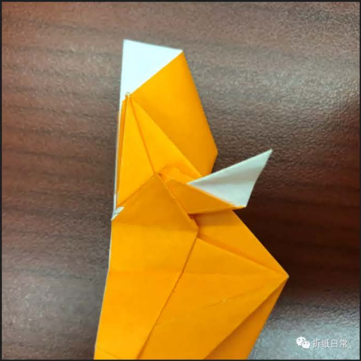
折纸日常

Peak break and valley break



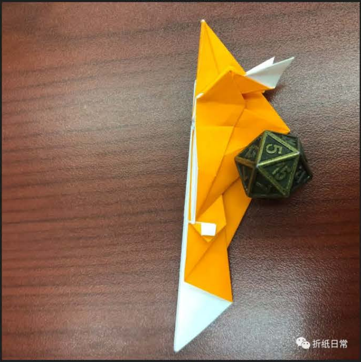
折纸日常

Overall inset



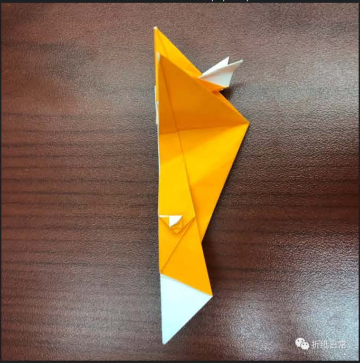
折纸日常

Same on the other side



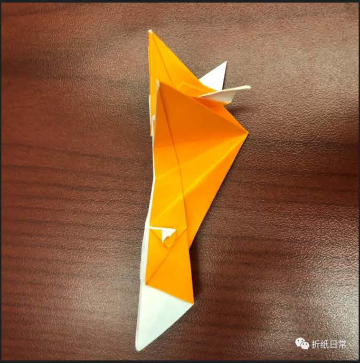
折纸日常

Turn the corner of the paper up



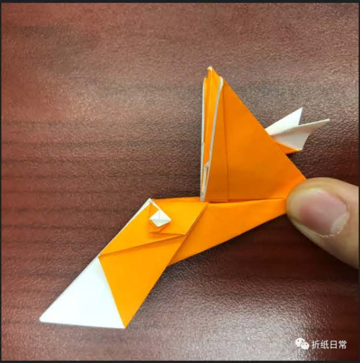
折纸日常

Fold neck



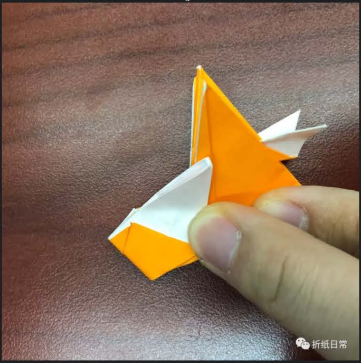
折纸日常

Continuous fold

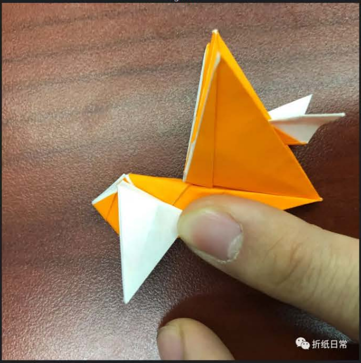


折纸日常

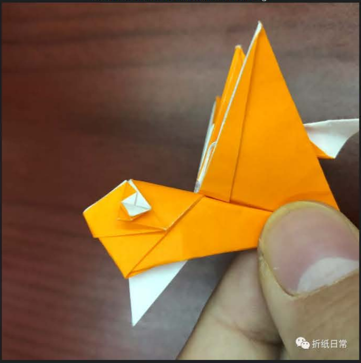
Trough



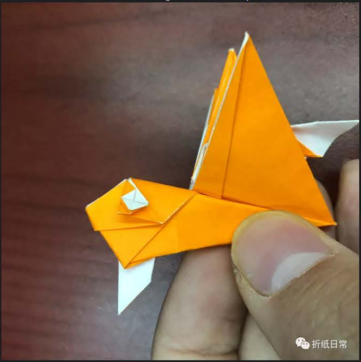
Again



Continuous inside fold after unfolding

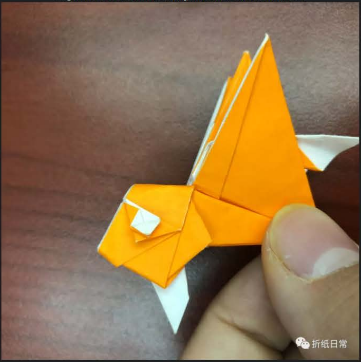


Peak break organize mouth shape



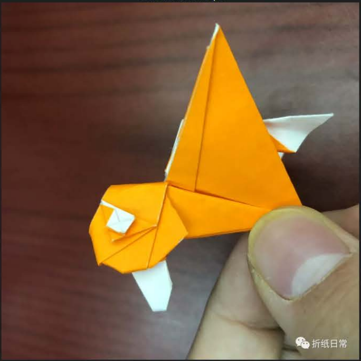
折纸日常

Segment break to make the junction of head and neck

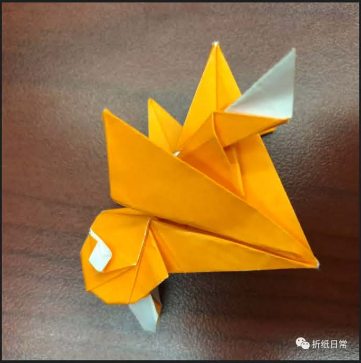


折纸日常

Correct head shape

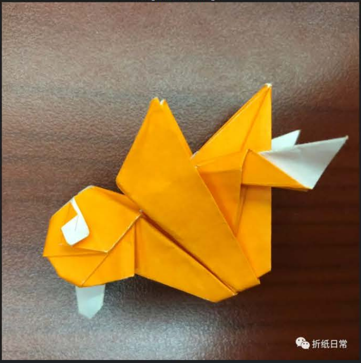


折纸日常



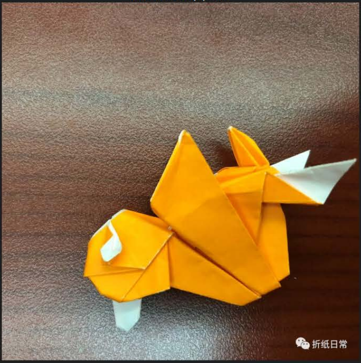
折纸日常

Segmented wings



折纸日常

Fold two sharp peaks



折纸日常

Adjust feet and tail for simple shaping

折纸日常

Finish. The finished renderings are provided by Yanyan Wang:

折纸日常

In the past, it is recommended to touch the fish.
