Let 's start with Mr. Kobayashi 's work, a plastic surgery work
Personally, I really don't want to pinch. I will give you a basic model to rectify it

yourself. From the finished product picture, you can see that the shaping of this work is relatively wide and can be used!

The above is a simple positioning line map. Here you can only locate most of the lines. The few lines in the lower right corner cannot be located directly, but after the current sides are aggregated, we can pinch them out, so you do n't need to take your mind about the individual lines!

So just hit those lines you did your best.

This basic shape is very consistent with the aggregate shape in the picture above. As for the plastic surgery, let's give full play to it, and see if the three monkeys can be integrated. !!

Come on, origami gentlemen!
See you next time!

I posted a lot of life sketches and origami sketches, and of course there are original works🤭

My Taobao Online Store

Although there is no decoration in the online store and the pictures are not very beautiful, the works are still complete, and I can order CP works that are not in the store. Of course, it also includes the aggregate semi-finished products and finished products of almost all the works explained by the public account And line paper for sale.

Everyone says my Taobao shop ca n't find it, I do n't know why.
