
Here are our entry-level works for this issue
Saw. If you look at the finished picture of this work, you may find it difficult, but after so many exercises, I believe you must think this is an entry-level work. On CP

This work: 64--64 square

There is not much to say about the entire work. Each time the horizontal section breaks are corresponding, there is no need to mark it on the original picture. Everyone focuses on the details on the right side of the CP.

So far, our first phase is over. The next phase is still to meet the requirements of entry-level students to do a few more real shots, I hope that these students will really go and get a discount, otherwise there will be more real shots meaningless.

Come on, origami gentlemen!
See you next time!

Once again, the name of the volcano 515650243 is the mountain origami player

I posted a lot of life sketches and origami sketches, and of course there are original works on display🤭

My Taobao Online Store

Although there is no decoration in the online store and the pictures are not very beautiful, the works are still complete, and I can order CP works that are not in the store. Of course, it also includes the aggregated semi-finished products and finished products of almost all the works explained by the public account. And line paper for sale.

Everyone says my Taobao shop ca n't find it, I do n't know why, here is the URL
