

The diagram is a square grid with 14 vertical and 14 horizontal lines. Red lines are spaced at 1-unit intervals, while blue lines are spaced at 2-unit intervals. The pattern consists of several geometric shapes: a large central rectangle (from x=4 to x=12, y=4 to y=12) with a smaller rectangle inside it (from x=6 to x=10, y=6 to y=10). The top and bottom edges of these rectangles are decorated with a series of triangles and zig-zags. The triangles are formed by red and blue lines, with red lines forming the outer edges and blue lines forming the inner edges. The zig-zags are formed by red lines. The text "@origami_drw" is located in the center of the grid, between x=4 and x=12, and y=4 and y=12.
