Box body detailed in 2018/2
Diagram drawn in 2018/5

Matayado Origami

START from a
CRANE BASE.

Done?

Inside
view

Both
sides.

Do it
like a
CP folding.

Okay?

Divide into 6
fold & unfold
both sides.

Upside
down.

Open.

Matayado Origami

Open
& fold.

Refold this chip
turn inside.

Do it
all.

Don't care
if it's messed up
inside.

Refold this chip
turn inside.
Means;

Y-WING FIGHTER

Shu Sugamata

Do it upper & lower of
both engines.

Matayado Origami

It's okay with
vague foldings
especially inside.

Do it both.

Raise the top & bottom
flaps as cylinder.

Glue
if you need.

Open
one piece each
vertically.

Bottom
view

Glue

Glue

Do it
both
top &
bottom.

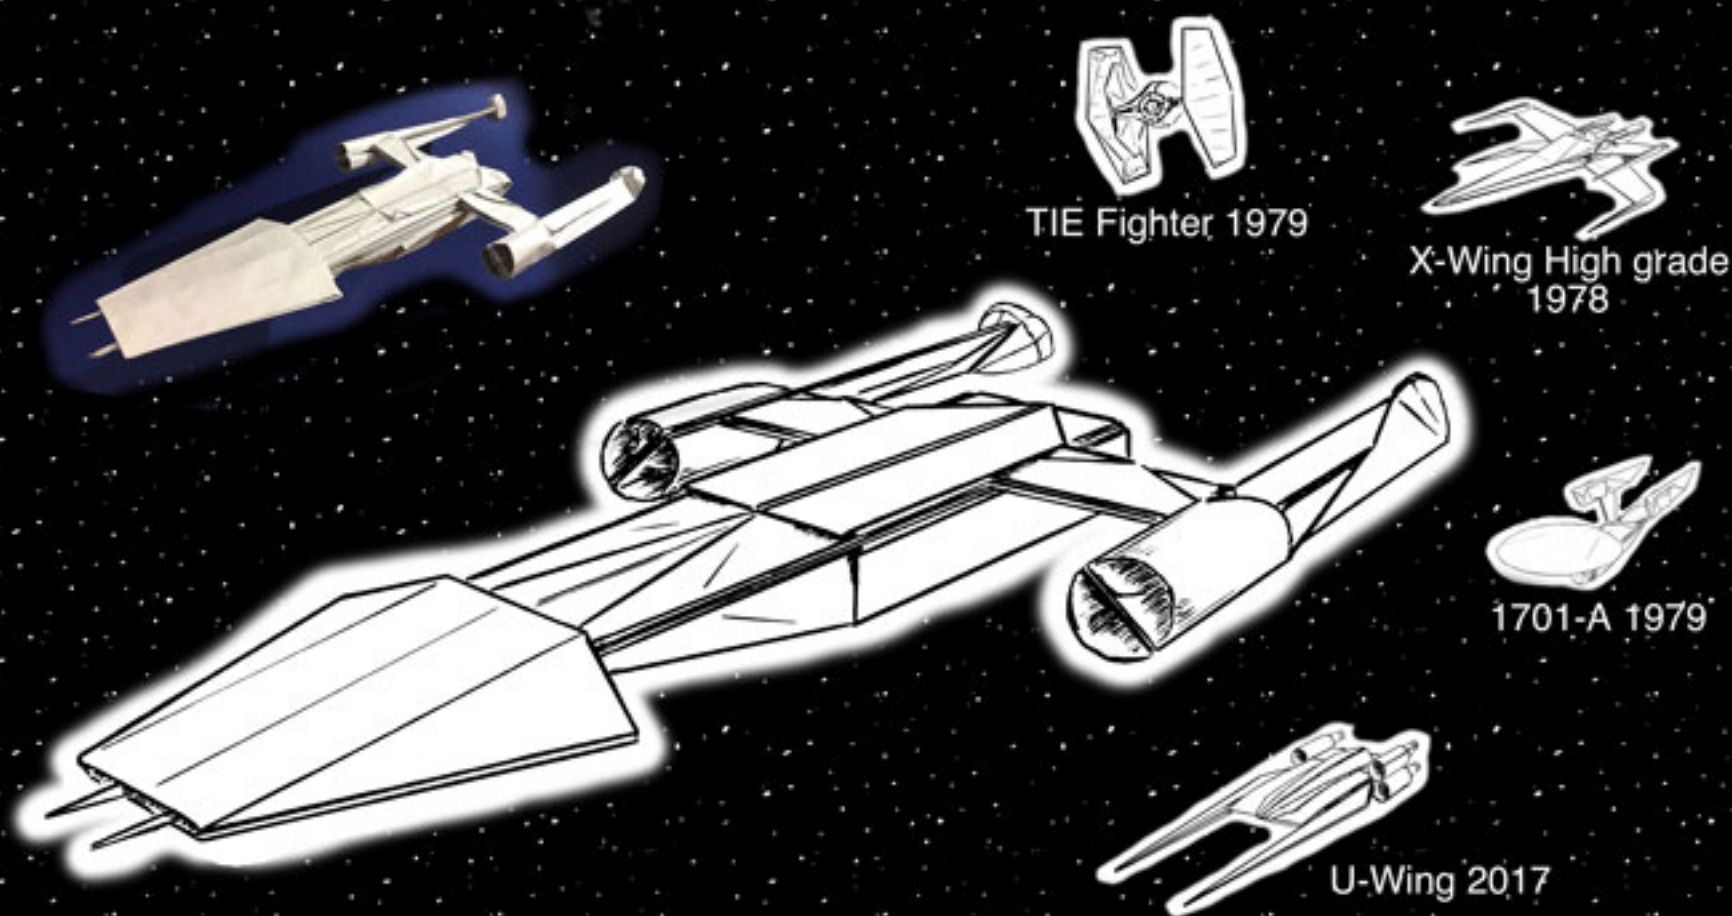

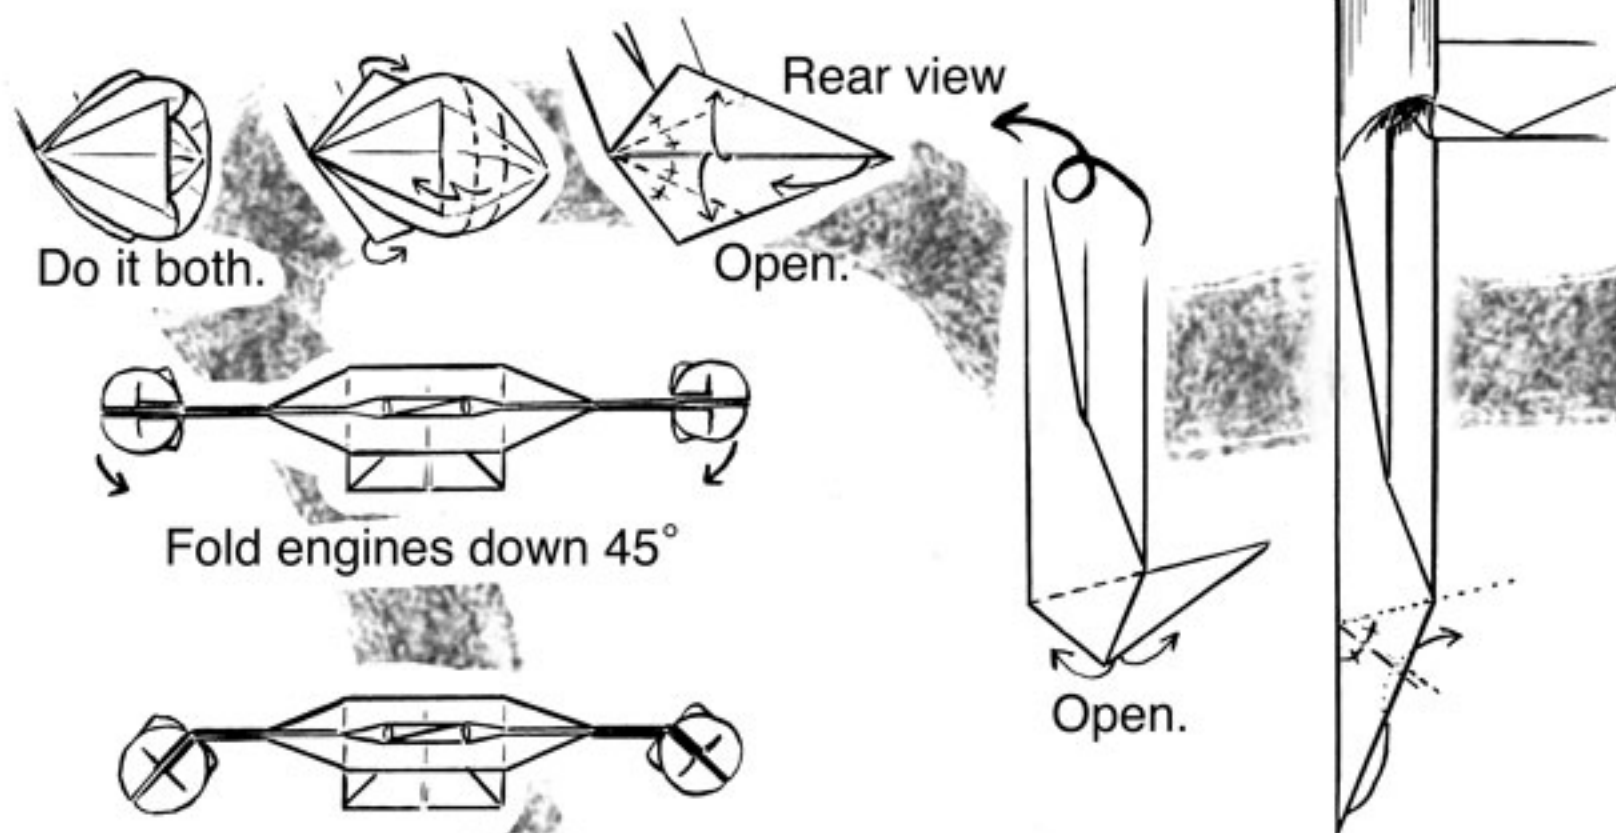

Pinch & twist
here with
a tweezer

Open.

Close.
