CHAPTER

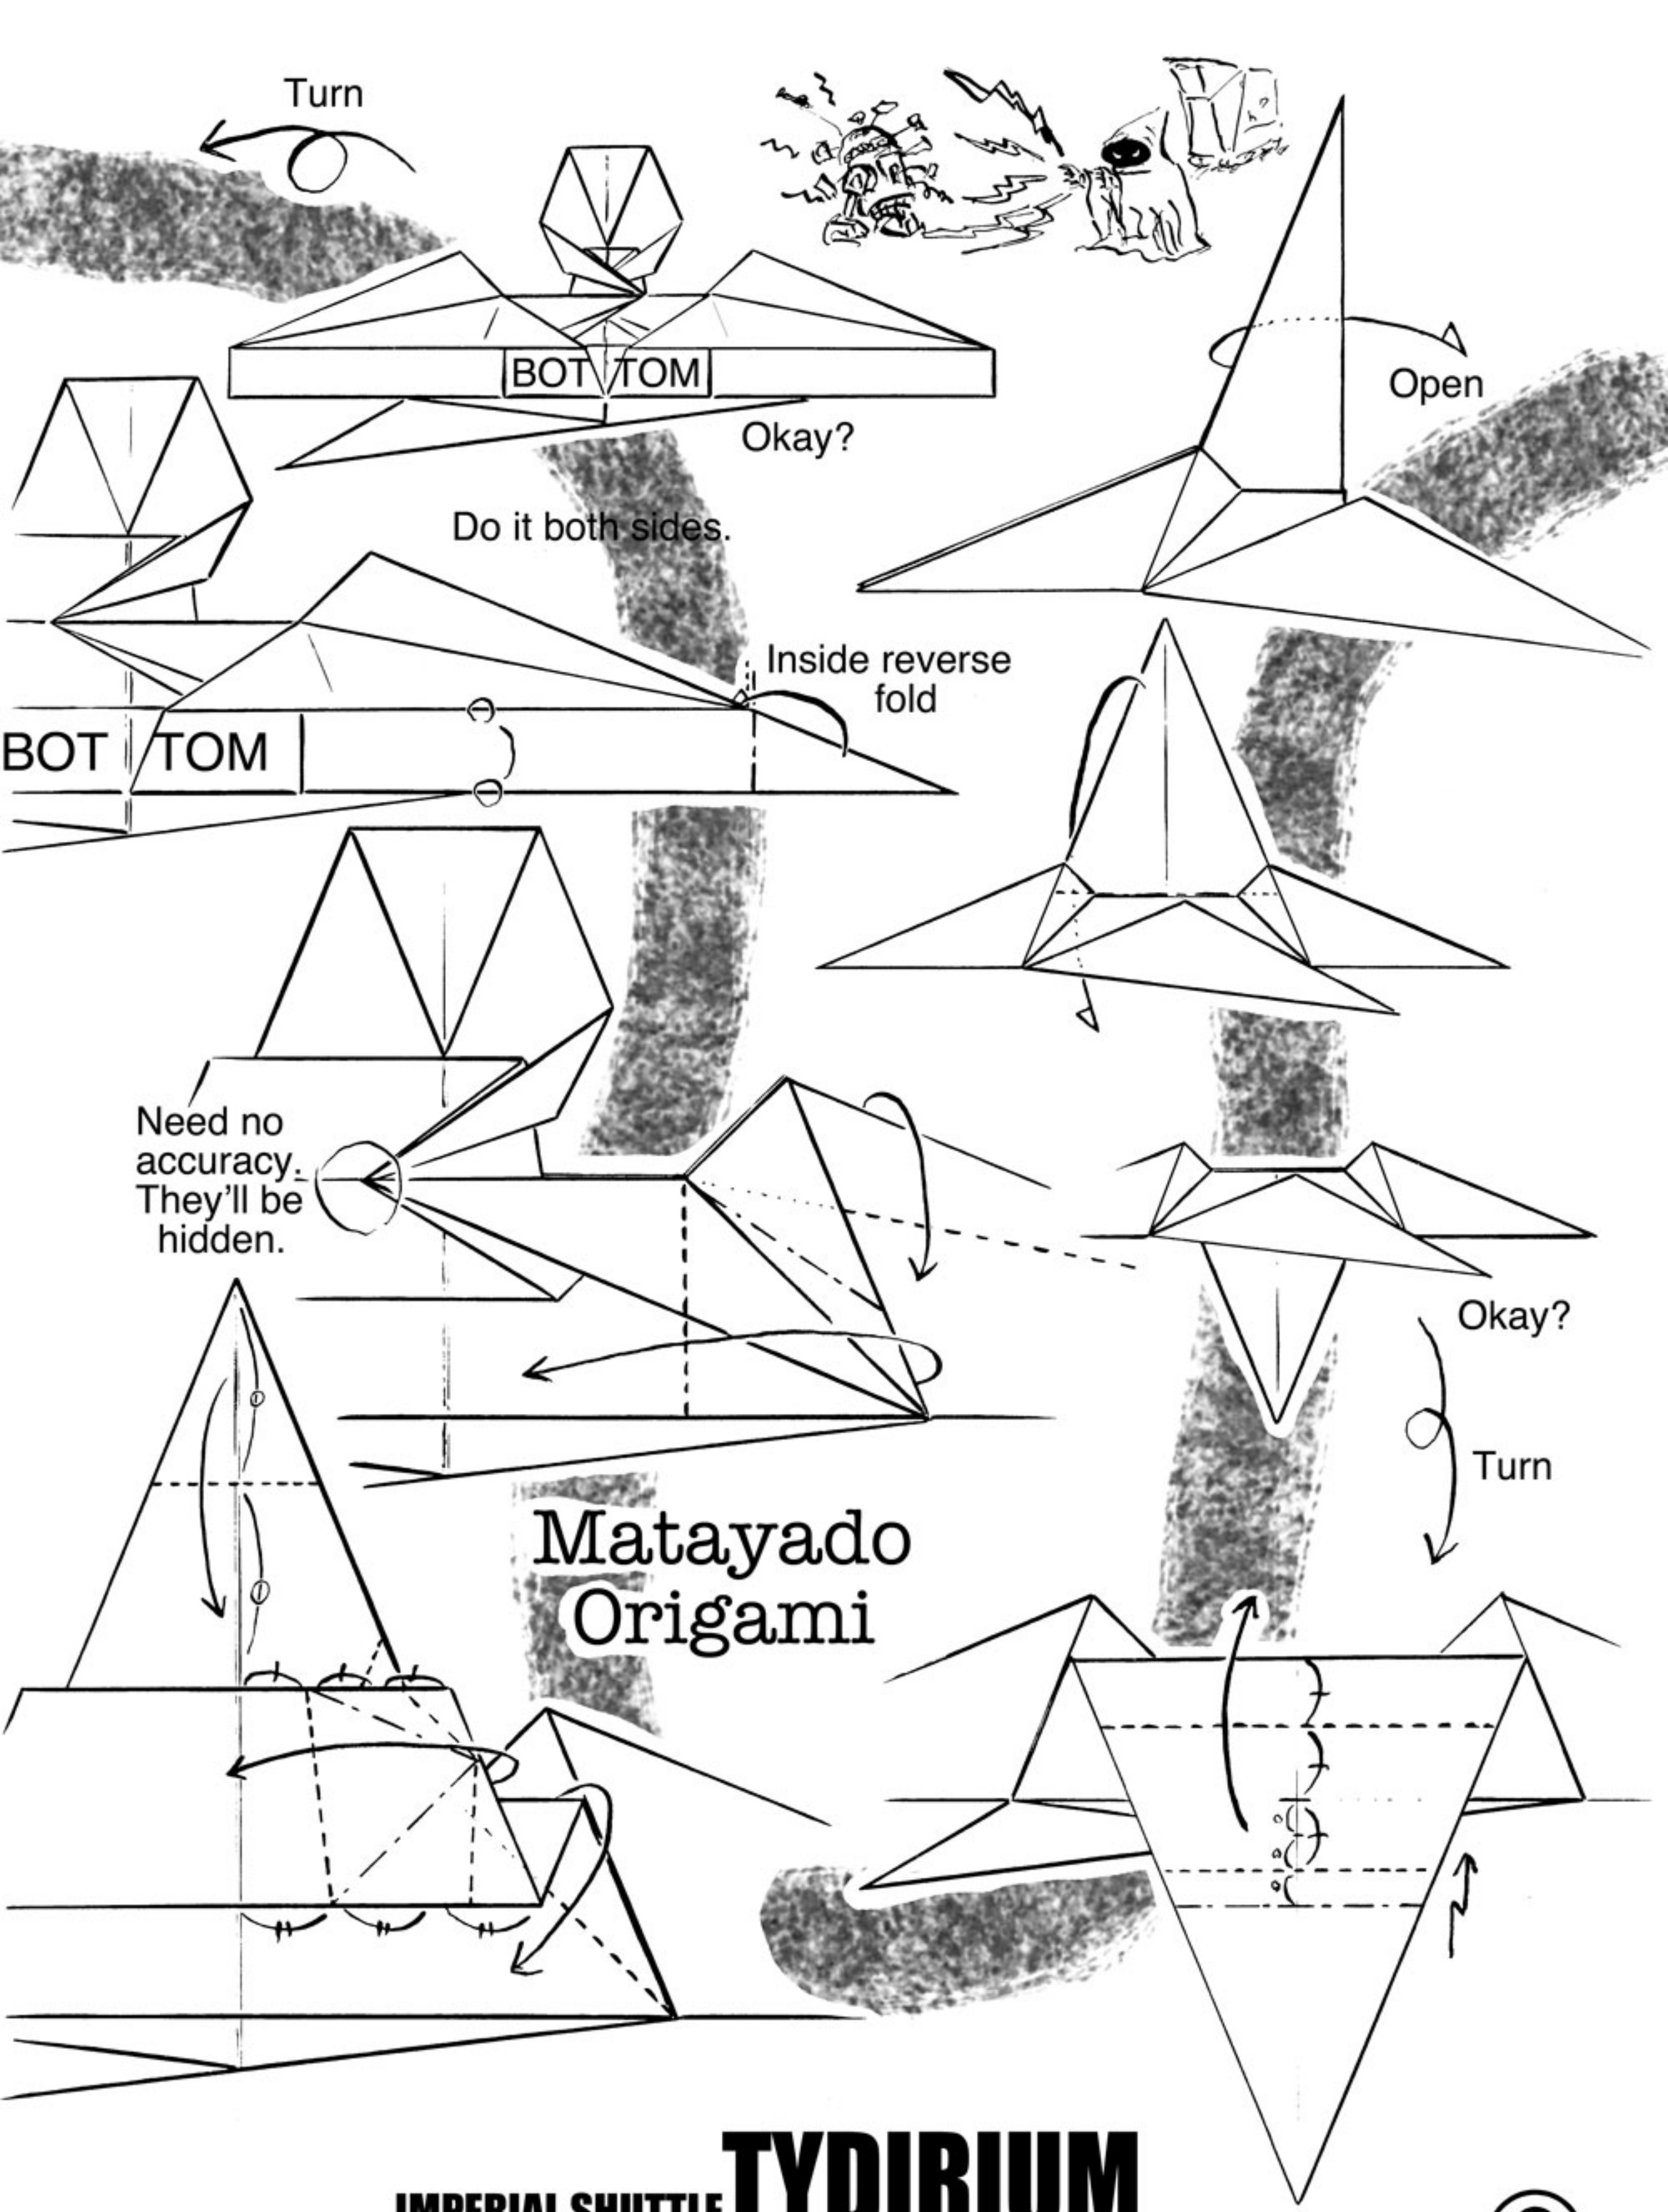

15

Need a large piece of foil paper
with a long nose plier and a pincette,
and glue once if you want.

Matayado Origami

START from
Crane base

Fold them with a long nose plier,
except lowest tips.
So hard to fold.

Same as
bottom wings.

TOP

Wake up
the vertical
tail

Inside
reverse fold

Do it both sides.

Inside
reverse fold

Turn inside.

Fold &
unfold.

Matayado
Origami

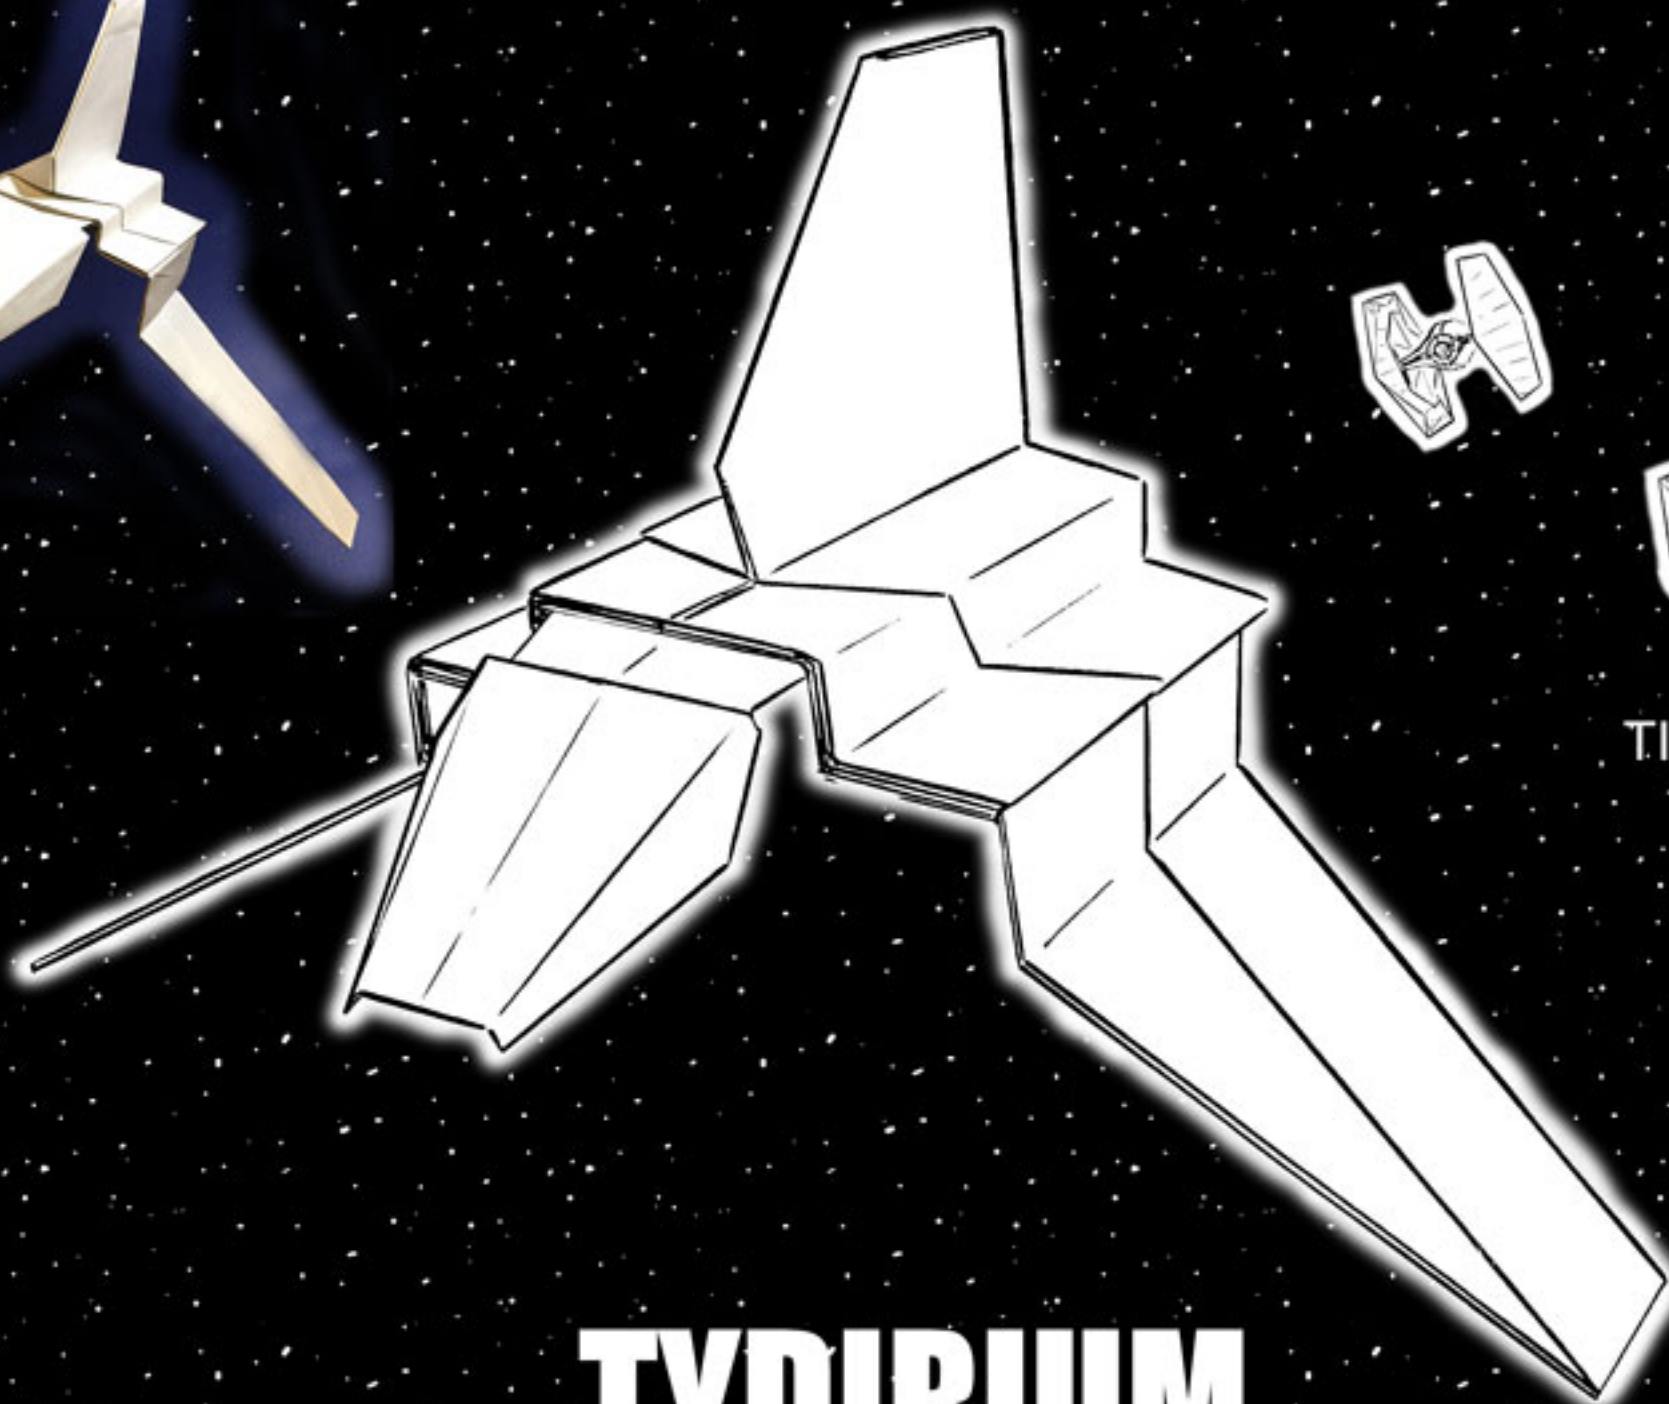

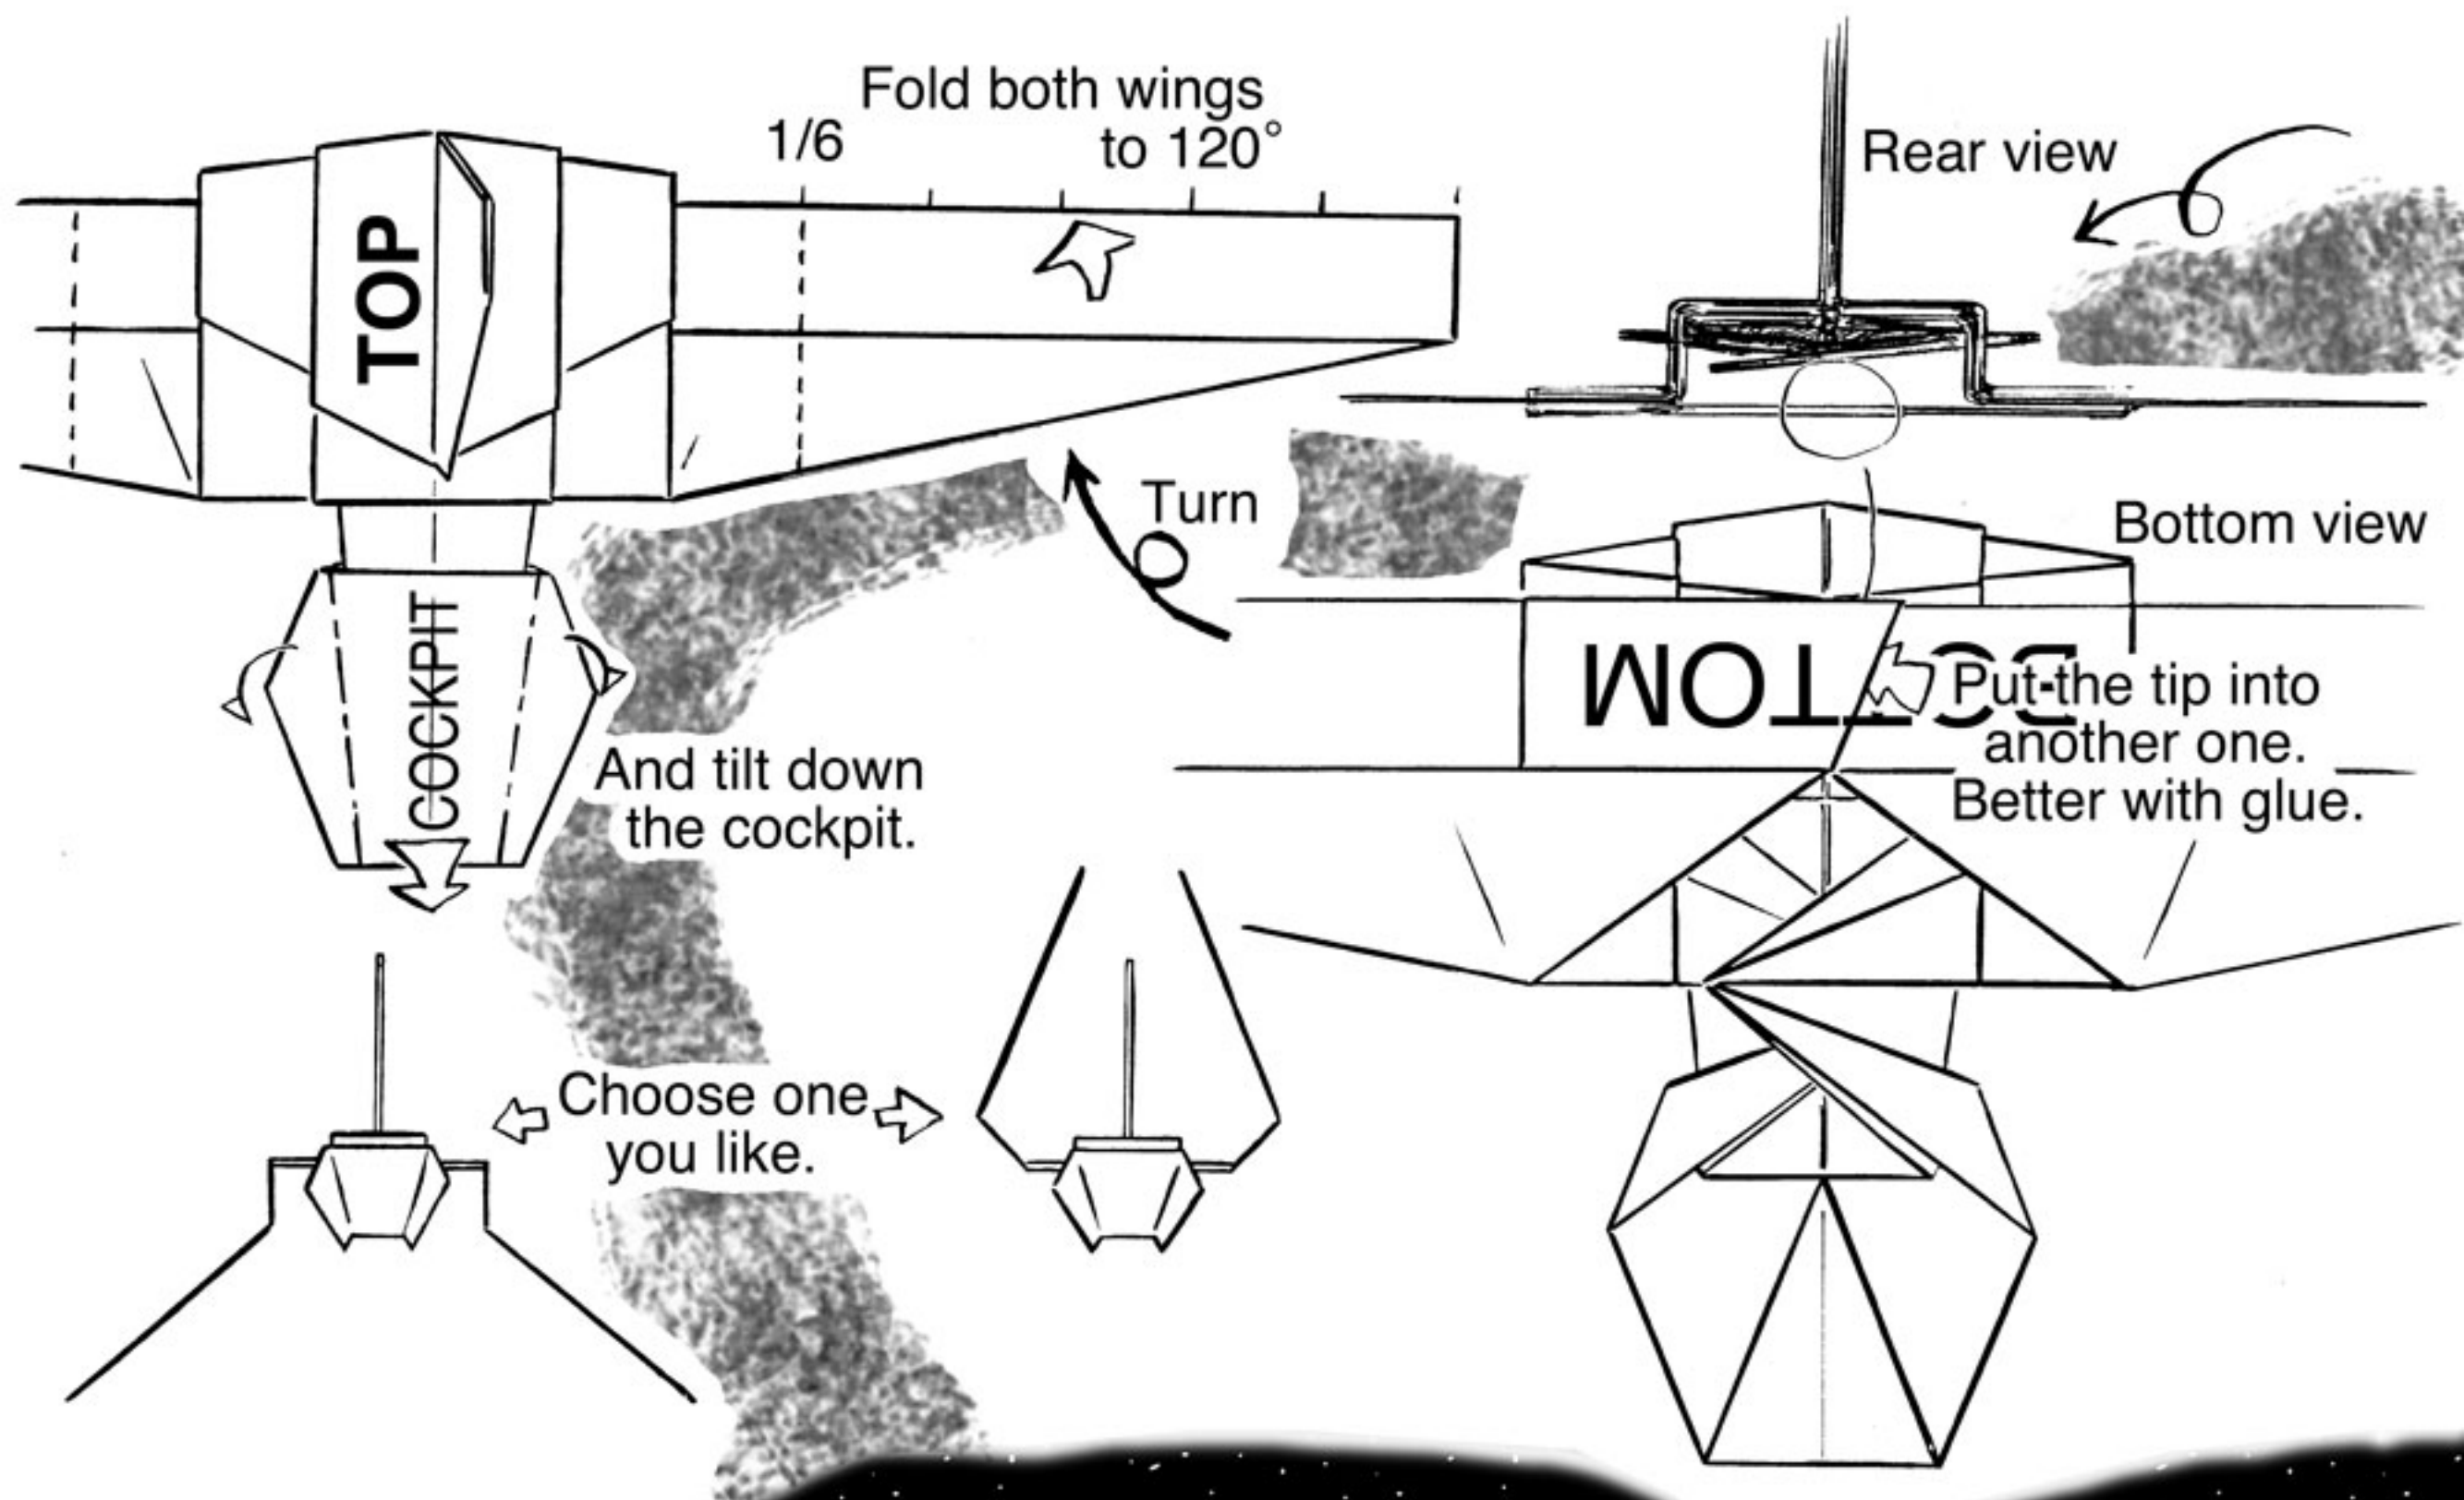

Do it both sides.

Outside
reverse fold
to the inside.

Inside
reverse fold

2 : 3
